If any motions *in limine* are filed, opposition papers are due no later than seven days after the date of service of the motion. Reply papers, if any, are due no later than four days after the date of service of the opposition. Courtesy copies of motions *in limine* should be submitted when the motions are fully

The United States is further directed to provide written notice to each defendant of any evidence it expects to introduce pursuant to Federal Rule of Evidence 404(b) by no later than (a) March 19, 2024 for any Rule 404(b) evidence that the Government will *not* address through its affirmative motions *in limine* and/or (b) March 26, 2024 for any Rule 404(b) evidence that the Government *will* address through its affirmative motions *in limine*.

The parties are further directed to submit: (1) a proposed brief description of the case, to be read to the venire; and (2) a brief, mutually acceptable overview of the applicable law, to be read to the jury as part of the Court's initial instructions prior to opening statements, no later than March 26, 2024. If the parties are unable to agree on the language of such a short overview, they are directed to notify the Court of that fact by the same date.
